Law Updates

Ministry of Trade, Industry & Energy
Pre-announcement of the revised bill of the Enforcement Ordinance on the Special Act on Designation and Management of Free Economic Zones
Notification No. 2014-591

Grounds for amendment
- To adjust regulations regarding the basis for the delegation of foreign doctors and dentists with licenses, to reduce the regulatory gap between Jeju Special Self-Governing Province and free economic zones concerning the establishment of foreign medical institutions.

Ministry of Health and Welfare
Pre-announcement of the revised bill of the Rules on the Permission Procedures, etc. of the Establishment of Foreign Medical Institutions in Free Economic Zones
Notification No. 2014-628

Grounds for amendment
- To relax ratios related to foreign doctors with licenses and foreign doctors in a decision-making body for treatment, so that the establishment of foreign medical institutions in free economic zones is carried out smoothly.
