# Long-Term Loan

## [ Foreign Direct Investment Flowchart ]

## INFORMATION

Long-term loans may be provided only when equity investment has been made by the foreign investor.

### 01. Conclusion of Contract

A long-term loan contract is signed between the loan provider (foreign investor or foreign company with investment relations with the investor) and the foreign-invested company.

### 02. Foreign Direct Investment Notification

A foreign investor is required to pre-notify FDI to the Foreign Investor Support Center at KOTRA headquarters or a foreign exchange bank.

### 03. Remittance of Loan

The foreign investor (loan provider) remits the loan to the corporate account of the foreign-invested company.

### 04. Deposit

The loan is deposited into the corporate account of the foreign-invested company by the loan provider in accordance with the foreign investment notification.
