

INVEST KOREA WEEK 2021 (IKW 2021)

Investing in Innovative & Sustainable Korea

November 3-5, 2021

Arirang TV / www.investkoreaweek.kr / KOTRA Business

South Korea is the world's 10th largest economy and the world's 6th largest exporter, receiving a sovereign credit rating of AA from Standard & Poor's. Dubbed the most innovative country in the world by Bloomberg, the Korean people are the ones keeping innovation alive in the country. South Korea is your global link to success—leading you to create win-win partnerships, as well as achieve growth and prosperity.

Invest KOREA, the national investment promotion agency, invites you to **South Korea's largest investment promotion event**, which marks its 17th anniversary this year.

Please come and enjoy!

Starting **with President Moon Jae-in's congratulatory remarks**, we'll introduce **post COVID-19 investment opportunities and innovative growth strategies in Korea** with global companies and scholars.
